

VISUAL REFERENCE GALLERY – Ullinirium & Stellar Extension

NEXAH Codex / Ullinirium 12th Dimension Series – Visual Integration Archive

EMERALD TABLE SCHEMA (Φ = Green Field Balance)

File: EMERALD_TABLE_SCHEMA.png

Description:

Planetary-cosmic Resonance Table – Transition from Phi- and Pi-systems to the green Membrane.

The **E-Achse** connects LANiF Core ↔ Ullinirium Lattice and marks the Balance-Node.

Symbol Key: $\Phi \cdot E \cdot 13 \leftrightarrow 31 \cdot VI$

D-RAILS MAP + TIME OCTAVE VI

Files: D_RAILS_MAP.png / TIME_OCTAVE_RAIL_VI.png

Description:

Representation of temporal Octave Leitern (2^n bis 2^{12}) – each stage a Resonance portal between planetary vibration and stellar flow.

The VI-Bahn represents the current Regulator (17.8–18.9 Hz) in the C-Band.

Symbol Key: $2^n \cdot \Delta\varphi \cdot VI$

VI REGULATOR BAND FREQUENCIES

File: VI_Regulator_Band_Frequencies.csv

Description:

Reference table of the 12 layers in the Ullinirium Band; linking of Hz-zones and Alpha-/Phi-correlations.

The data forms the basis for the Time-Octave-Visuals.

Symbol Key: Hz · Φ -ratio · Δn

ULLINIRIUM LATTICE FINAL (12D Integration Field)

File: ULLINIRIUM_LATTICE_FINAL.png

Description:

Visualization of the 12-dimensional Grid Space.

Gold-Turquoise Strands represent Frequency axes $12.6 \leftrightarrow 13.7 \leftrightarrow 17.8 \leftrightarrow 18.9$ – Transitions between Hyperspace and Flux.

Symbol Key: $\Phi^3 \approx 4.236 \cdot \Delta f \cdot VI$

SCARAB LINE GRID (8x8 Mühle Structure)

File: ULLINIRIUM_MILL_GRID.png

Description:

Resonanz-Spielfeld aus 64 Knoten (2^6) – „Spielbrett“ zwischen vertikalem Phi-Fluss und horizontaler Licht-Membran.

Die **Scarab-Linie** durch **E** markiert den Drehpunkt des Systems – Balance zwischen Erde und Kosmos.

Symbol Key: 8x8 · ΦE · Symmetry Fold

INTEGRATION DIAGRAM – Stellar × Ullinirium Continuum

File: STELLAR_ULLINIRIUM_CONTINUUM_MAP.png

Description:

Vereinigung von LANiF Gravity Core, Fluxpoint 13↔31 und Ullinirium Rails.

Zeigt, wie die **Stellar-Maris-Achse** über die Emerald-Tafel in den 12D-Hyperraum übergeht.

Symbol Key: LANiF · 13↔31 · ΦE · 12D
