# 🌌VISUAL REFERENCE GALLERY – Ullinirium & Stellar Extension

Companion to: *VISUAL SEQUENCE — "Thoth's Hidden Seed → The High Ground Continuum"*

This gallery serves as the **archival and analytical reference** for the Ullinirium & Stellar Continuum visuals. Each entry includes the corresponding visual file, its system integration, symbolic layer, and key physical or harmonic properties. Together, they establish the bridge between *narrative resonance* and *scientific validation* within the NEXAH–Codex framework.

Summary Statement

The Ullinirium & Stellar Extension Visual Set represents the **culmination of the NEXAH–Codex's visual logic** — where mathematical structure, harmonic proportion, and symbolic architecture converge. Each image acts as both diagram and initiation: a visible form of invisible law.
